

# ANNUAL THIRD TIME

## Oregon Short Line Postpones Action.

Names of Directors Won't Be Known for Another Thirty Days.

Could Not Be a Surprise If the Salt Lake Route Annual Also Is Passed Next Week.

The Oregon Short Line annual meeting, postponed the first date being December 12, was yesterday passed for the third time, and the meeting is now set for January 16. What the constant postponement means cannot be answered by the railroad men, but it is thought that there are several matters of importance to be considered and decided upon before completion of the new directory can be made public.

MARGETTS PROMOTED.

Leaves Salt Lake Route for Chicago & Northwestern.

E. Margetts has resigned his place on the traffic department of the Salt Lake Route to take the vacancy in the local agency of the Chicago & Northwestern.

Margetts is a Salt Lake boy and his friends will be glad to hear of his advancement.

Santa Fe New Train.

TOPEKA, Kan., Dec. 15.—The Santa Fe will inaugurate a new fast daily train from Chicago and Kansas City to Los Angeles.

The train will leave Chicago at 10:30 a. m., Kansas City at 10:30 a. m., and arrive at Los Angeles at 6:30 p. m. Through the train will consist of Pullman standard sleeping-car, free chair car and smoking-car. The first train will leave Chicago December 22.

The train will run daily and will cause it to arrive at Los Angeles before train No. 1, leaving Chicago the next morning.

At New Orleans there will be connections with No. 18 for Texas and Oklahoma points. At La Junta connections will be received from train No. 1 from Denver, Colorado Springs and Pueblo.

PARKER RAN BEHIND.

Even Democratic Candidate for Governor in New York Beat Him.

ALBANY, N. Y., Dec. 15.—Roosevelt's plurality in the State of New York at the last election was 175,562, as shown by the official returns certified today by the Board of State Canvassers.

That Higgins for Governor was \$0,560, Parker is shown to have run nearly 200,000 behind Herrick, the Democratic candidate for Governor.

The highest election on each Presidential ticket is taken as the standard in figures which follow, relating to the State of Presidential electors.

James March, elector for Roosevelt, received a total of 859,533 votes, the highest Parker elector receiving 652,881.

The other party totals for President are: James Smith, Democrat, 31,883; Swallow, Prohibition, 29,757; Corcoran, Socialist-Labor, 9127; Watson, People's party, 7459.

One of the results of the State election is that the loss of status as an electoral party by the Socialist-Labor party, it having failed to cast the necessary total of 10,000 votes for its candidate for Governor.

PERILOUS ADVENTURE.

Large Captain Floats Five Miles on Ice Cake in the Hudson.

NEW YORK, Dec. 15.—In a crushed state, resting on a great cake of ice, Alvin Nordstrom, a large captain, has floated five miles with the tide on the Hudson river. A field of broken ice surrounded the marooned captain, but a lantern, which he was fortunate enough to have at hand enabled him to finally secure aid and escape certain death in the waters of New York bay.

Nordstrom was preparing his supper on the barge at Two Hundred and thirty street when the ice jammed around the craft. Rushing from the cabin with lantern and his valise he tried to reach the shore, but was hurried overboard and washed the dory. This was quickly rescued, but landed on an ice cake.

Nordstrom began signalling toward shore, but his side and river current were trying him rapidly toward the bay and was opposite Fort Lee when a railroad trolley came along the shore and picked up the man. He was rescued and taken to a hospital.

A hard battle to reach the barge, and he was soon aboard and was found to have suffered little injury.

Mrs. Parks Is Dead.

NEW YORK, Dec. 15.—Through the granting of letters of administration on the estate of Sam Parks, formerly of Chicago, walking delegate, who died in Sing Sing last May while serving a sentence for extortion, it has developed that Mrs. Parks, the widow of the labor leader, died from a cancer recently in Copenhagen, Denmark, where she went for treatment.

The size of Parks' estate is not known.

Court Changes Receivers.

TACOMA, Wash., Dec. 15.—Judge Huse of the Superior court, today made an order removing Otto D. Swain, as receiver of the Gale Creek Mining company and appointing Frank S. Blatter.

Tacoma receiver with bond fixed at \$10,000. The court distinctly says the change is made without any contention on the motive or integrity of Mr. Swain, because of his intimate relations with the officers of the coal company.

## SWINDLED BOND DEALERS.

New York and Boston Firms Victims of Clever Bunco Artist.

NEW YORK, Dec. 15.—Detectives are searching Canada for a man who, under many aliases, had swindled two big New York and Boston bond dealing business houses out of securities running into thousands of dollars. Both firms have Boston offices.

A year ago last September the man opened an office for the sale of real estate at Lynn, Mass. He carried on an insurance business and appeared to be prosperous. Soon afterward he called on the bond brokers and purchased gilt-edged bonds costing more than \$30,000. Certified checks were tendered in payment and after the buyer disappeared it was found that the certification of the checks was a forgery. The office in Lynn was closed meanwhile and no trace of the pseudo real estate broker could be found.

So cleverly was the swindle perpetrated that the police in the larger cities were notified. A month passed and then the suspect appeared in Birmingham, Ala. There he was looking over sites to start a cotton seed oil mill and soon became a member of the Commercial club of that city.

He obtained about \$5000 on some of the stolen bonds from a Birmingham bank and then was next heard of in New York City. He rented an office and tried to sell the bonds almost within a stone's throw of the firms he had robbed. Detectives were close upon the trail but he fled just before they arrived and is now reported to be in Canada. Some of the bonds placed with brokers here for sale are understood to have been recovered.

TWO POSTMEN REMOVED.

Officers of National Association of Carriers Lose Their Places.

WASHINGTON, Dec. 15.—As the result of an investigation of their activity during the recent political campaign, Warren F. Tumber, a rural mail-carrier at Lockport, N. Y., and H. W. Aldrich, a rural carrier of Concord, N. H., both officers of the National Association of Rural Free Delivery Carriers, today were removed forthwith from the Government service by Postmaster-General Nathan C. Taylor. Tumber is secretary of the National Association of Carriers and he and Aldrich are members of its executive board. The charges, the investigation of which by postoffice inspectors resulted in today's action, was that the dismissed men sent out circular letters during the last campaign to candidates for Congress urging legislation in the interest of the carriers and demanding that the men to whom the letters were addressed pledge themselves to vote for such legislation.

President Cunningham, who was dismissed Tuesday, and Tumber, according to the postal authorities, framed the circular and Tumber signed it as secretary and issued it. Aldrich was one of the executive committee who agreed on the work which was subsequently carried out.

A number of the letters sent out are in the possession of the Postoffice department. In one of the papers on file is the expression, "We must look out for ourselves," and says that the men, since a number of other cases are under consideration.

EMPLOYER DEFENDS MEN.

Doesn't Believe Two Suspects Killed Express Messenger Roberts.

SAN BERNARDINO, Cal., Dec. 15.—Arthur Swindell and Sidney Jarvis, who were taken into custody at San Francisco, charged with the murder of Wells-Fargo Messenger Roberts, were arraigned here this morning on a murder charge and their preliminary examination set for next Monday.

F. J. Mackay, the millionaire in whose employ the two suspects were at the time of their arrest, has arrived in San Bernardino and will assist in the defense of the men. He declares his belief in their innocence and says that the men, since they have been in his employ, have always shown themselves honest and worthy. He says that he has entrusted them with large sums of money on different occasions.

OVER INCREASE IN RATES.

Testimony in Complaint Against EL PASO & Railroad Company.

EL PASO, Tex., Dec. 15.—The Interstate Commerce commission, represented by Judge C. A. Freely, took testimony today in the complaint of the Darbyshire Fuel company against the Santa Fe railroad, alleging discrimination against the San Antonio and New Mexico coal fields.

Although acknowledging the recent increase in freight rates, the officials of the company here declared that the charge was no higher than the rates for other coal fields in this section. Increase in rates was declared imperative because the former charges were ruinously low. Complaint witnesses alleged that profitable contracts were forfeited by reason of the company's high rates.

HUGE POLITICAL SCANDAL.

Said to Be Brewing in Ottawa, and Premier Laurier Hurries Home.

PASADENA, Dec. 15.—Sir Wilfrid Laurier, the Canadian Premier, is cutting short his visit to California by reason, or a huge political scandal alleged to be brewing in Ottawa, and which has for its supposed object the defeat of the Government party.

The Premier, with his party, leaves tomorrow morning for the Grand canyon, where after a day they will depart for the East. The information in relation to the political scandal is said to have reached the Premier in private advice from Ottawa.

Jackrabbit Industry.

The Wichita Eagle has an account of the rather curious business followed by a firm of that city. The business is catching jackrabbits alive. They have a plant, consisting of traps, wagons, etc., which cost \$2000. They find a ready market for their packs at the counting meets which are held in different parts of the country. For example, they are now filling orders for 5000 rabbits to be used at the meet in Oklahoma City—Louisville Courier-Journal.

Bottom of What.

The Japanese Emperor smiled upon the court. And what, he asked, "what news of the war?" "There are, your Majesty," answered the prime minister, "reports of a battle off the coast."

"I am convinced," observed the Emperor with a twinkle, "I am convinced that if there has been any trouble on the ocean the Russians are at the bottom of it."

President of the Bundesrath.

BERNE, Switzerland, Dec. 15.—The Bundesrath today elected M. Ruech, vice-president of the Federal Council, to be president, and M. Forrer, Minister of Commerce, Industry and Agriculture, to be Vice-President of the Confederation, for 1906. Both are Radicals.

Miss Nellie Holmes, treasurer of the Young Woman's Temperance Association of Buffalo, N. Y., strongly advises all suffering women to rely, as she did, upon Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Your medicine is indeed an ideal woman's medicine, and by far the best I know to restore lost health and strength. I suffered misery for several years, being troubled with menorrhagia. My back ached, I had bearing-down pains and frequent headaches. I would often wake from restful sleep, and in such pain that I suffered for hours before I could go to sleep again. I dreaded the long nights as much as the weary days. I consulted two different physicians, hoping to get relief, but, finding that their medicine did not seem to cure me, I tried your Vegetable Compound on the recommendation of a friend from the East who was visiting me.

"I am glad that I followed her advice, for every ache and pain is gone, and not only this, but my general health is much improved. I have a fine appetite and have gained in flesh. My earnest advice to suffering women is to put away all other medicines and to take Lydia E. Pinkham's Vegetable Compound."—Miss NELLIE HOLMES, 540 No. Division St., Buffalo, N. Y.

Miss Irene Crosby, prominent in Social Life in East Savannah, Ga., adds her testimonial to the value of Lydia E. Pinkham's Vegetable Compound.

DEAR MRS. PINKHAM:—"It always gives me pleasure to find an article of real value and unquestioned merit. I have found Lydia E. Pinkham's Vegetable Compound well calculated to relieve and cure the various troubles arising from irregularities and menstrual pains.

"Much suffering could be spared if we only paid more attention to proper living and diet, but as long as women do not do this, your Vegetable Compound has come to the front as a true friend in need. I have been very pleased indeed with the relief it has brought me. I find that I have perfect health now, and that my mind is also more clear and active since I used your Vegetable Compound. It has been of great benefit to me, and I gladly recommend it. Very sincerely yours, Miss IRENE CROSBY, 313 East Charlton St., East Savannah, Ga."

Remember that every woman is cordially invited to write to Mrs. Pinkham if there is anything about her case or symptoms she does not understand. Mrs. Pinkham's address is Lynn, Mass. Her advice is free, and is cheerfully given to any ailing woman who asks for it.

**\$5000** FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness.

Lydia E. Pinkham Med. Co., Lynn, Mass.

AFTER YOUNG BIGAMIST.

Kentuckian Charged With Plural Marriage and Forgery.

MT. STERLING, Ky., Dec. 15.—Officers of Mercer county are searching for Arnold Royalty, a prominent young man of near Harrodsburg, who is charged with forgery and bigamy.

Last January Royalty was married to Miss Zolie Van Diver and left her soon afterward. Last Friday, it is alleged, he went to Harrodsburg in company with Miss Hester Royalty, his cousin, and at the County Clerk's office applied for marriage license, representing himself to be Prince Royalty, who is his brother. He is said to have forged the name of his brother to the marriage bond, and the couple were married. A warrant for his arrest was sworn out by the father of his former wife.

Royalty is connected with one of the most prominent families in the county. It is believed he has left the county.

Delicious Home-Made Candy.

All kinds at Henderson's, Saturday morning.

Sent Longest Wireless Message.

KANSAS CITY, Mo., Dec. 15.—Wireless telegraphic messages were sent today from Kansas City to Cleveland, O., 750 miles without relay. This is said to be the longest distance overland ever covered.

Handy to Have About the House

To Cure The Ills Of All The Family By Using

A Pill in time is a wonderfully good thing and saves many a fit of sickness. Every person, young or old, needs a little help often to put their systems right. If there's Biliousness Constipation or Indigestion a dose of BEECHAM'S PILLS will generally set things right. Sick Headaches are cured as if by charm, and you will

SAVE EXPENSE and be enabled to enjoy many a pleasure heretofore made impossible.

BEECHAM'S PILLS make life worth living by putting your system in condition to enjoy it.

Any trouble arising from derangement of the organs of digestion and secretion is quickly set right if you use

OFFICE, 101 MAIN ST.

NOTICE TO WATER-USER.

State Engineer's Office, Salt Lake City, Utah, Nov. 17, 1904.

Notice is hereby given that C. H. Gibbs, whose postoffice address is 223 Third East street, Salt Lake City, Utah, has made application in accordance with the requirements of chapter 160 of the Session Laws of Utah, 1903, to appropriate one-half (1/2) second-foot of the water flowing from Ray City mine tunnel, which naturally flows into Little Cottonwood creek, in Salt Lake county, Utah. Said water is to be diverted by means of a flume and pipe, at a point which bears approximately south 67 degrees east, and is distant about six hundred (600) feet from the southwest corner of the southeast quarter of section 32, township 2 south, range 3 east, Salt Lake base and meridian, from the center of said flume and pipe, a distance of about four thousand (4000) feet, and there used from January 1 to 1 of each year, inclusive, of each year for mining lead, silver and copper ores at the Superior Alta mine, situated in Little Cottonwood mining district, and to provide water for steam boilers, for fire protection for the plant and for the domestic use of the employees of said mine. About five-hundredths (5/100) of a second-foot of the water will be consumed, and the remainder of it will be conducted to a settling pond, where it will be clarified and then returned to the natural channel of Little Cottonwood creek, at a point about five hundred (500) feet southwest of the point of diversion.

All protests against the granting of said application, stating the reasons therefor, must be made by affidavit in duplicate, and filed in this office within thirty (30) days after the completion of the publication of this notice.

A. F. DOREMUS, State Engineer.

Date of first publication November 13, 1904.

Date of completion of publication, December 19, 1904.
